

Decanter

the world's best wine magazine

First published in 1975, Decanter is a monthly magazine read by people all over the world who consider wine as life's greatest pleasure. The readers spend their nights dreaming of châteaux and vineyards, escape from their families by hiding in their cellars and consider no holiday worthwhile without a visit to a vineyard. Next to wine, their greatest passion is food and they have extensive knowledge of the world's greatest restaurants and even greater knowledge of their wine lists. Knowing that Decanter is read by the world's top sommeliers and producers gives them the reassurance that every month they have their finger on the pulse of the international wine world.

Over 80% of our readers say that a recommendation in Decanter influences their wine purchase. NOP 2007
